BIDDERS QUESTIONS AND CLARIFICATIONS

S	Questions	Response
1	You required Certificate of Origine so it is enough to send GMP and prospectus of drugs ? if not please identify us about what is certificate of origine ?	The required Certificate of Origine means the manufactured country. you can mention it in the list.
2	In Turkey, There is no certificate named as quality certificate for drugs so what is mean for quality certificate you require ? please clarify about quality certificate ?	This is related to the previous question. The Turkey's origen drugs are approved.
3	Can we offer the products as packaging / amballage format only as stated in the financial offer list or can we offer an another packing / amballage format as an alternative?	Yes you can provide you offered item in other packing formats and it's not required to send any samples now, and the supplier should only send samples upon request.
