16.4 No partnership: Nothing in the Contract is intended to, or shall be deemed to, constitute a partnership or joint venture of any kind between the parties, nor constitute any party the agent of another party for any purpose. No party shall have authority to act as agent for, or to bind, the other party in any way.

16.5 Third party rights: A person who is not a party to the Contract shall not have any rights under or in connection with it.

16.6 Variation: Except as set out in these Conditions, any variation to the Contract, including the introduction of any additional terms and conditions, shall only be binding when agreed in writing and signed by the Customer. The Customer reserves the right to conduct a formal review of the Contract after 12 months. For the avoidance of doubt, no terms and conditions produced by the Supplier, including, but not limited to, those forming part of the Supplier's quotation, shall supersede and take precedence over these Conditions and the Contract.

16.7 Governing law and jurisdiction: The Contract shall be governed by and construed in accordance with English law. The parties irrevocably submit to the exclusive jurisdiction of the courts of England and Wales to settle any dispute or claim arising out of or in connection with the Contract or its subject matter or formation (including non-contractual disputes or claims).
