16.1 Assignment and subcontracting:

16.2 The Customer may at any time assign, transfer, charge, subcontract, novate or deal in any other manner with any or all of its rights or obligations under the Contract.

16.3 The Supplier may not assign, transfer, charge, subcontract, novate or deal in any other manner with any or all of its rights or obligations under the Contract without the Customer's prior written consent.

16.4 Severance:

- (a) If any court or competent authority finds that any provision of the Contract (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed to be deleted, and the validity and enforceability of the other provisions of the Contract shall not be affected.
- (b) If any invalid, unenforceable or illegal provision of the Contract would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.

16.5 Waiver and cumulative remedies:

- (a) No waiver of any right or remedy under the Contract shall be effective unless it is in writing and signed by both parties. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.
- (b) Unless specifically provided otherwise, rights arising under the Contract are cumulative and do not exclude rights provided by law.

16.6 No partnership: Nothing in the Contract is intended to, or shall be deemed to, constitute a partnership or joint venture of any kind between the parties, nor constitute any party the agent of another party for any purpose. No party shall have authority to act as agent for, or to bind, the other party in any way.

16.7 Third party rights: A person who is not a party to the Contract shall not have any rights under or in connection with it.

16.8 Variation: Except as set out in these Conditions, any variation to the Contract, including the introduction of any additional terms and conditions, shall only be binding when agreed in writing and signed by the Customer. The Customer reserves the right to conduct a formal review of the Contract after 12 months. For the avoidance of doubt, no terms and conditions produced by the Supplier, including, but not limited to, those forming part of the Supplier's quotation, shall supersede and take precedence over these Conditions and the Contract.

16.9 Governing law and jurisdiction: The Contract shall be governed by and construed in accordance with English law. The parties irrevocably submit to the exclusive jurisdiction of the courts of England and Wales to settle any dispute or claim arising out of or in connection with the Contract or its subject matter or formation (including non-contractual disputes or claims).
