

Clarification Requests

1. We would like to receive specs. for your tender referenced G-SY- GAZ-M&E-34136.
Please see the essential and award criteria in the TOR

2. I would like you to share the Technical Specifications and similar documents with us?

Please see the essential and award criteria in the TOR

3. Can you provide a list of activities that will take place during the project implementation phase.

The objective of the consultancy will not include monitoring the implementation process, it only include providing analysis and evaluation report for the project activities as all the data collection will be conducted by GOAL MEL team. For more details please see the list of deliverables in the TOR.

4. The dissemination of findings of the Research must be shared with GOAL in the format of a research report, delivering presentations to GOAL, ECHO, Dignified Shelter Actors and relevant Clusters, and the submission of findings to academic journals.

- a. Can GOAL please confirm the modality of the presentations?

On-line presentation sessions

- b. Is it possible to conduct the presentation remotely?

Yes, on-line presentation.

- c. Can you confirm if the requested formats will need to be prepared in English and Arabic. **English only**

5. As GOAL will be responsible for data collection, could you please provide the anticipated sample size so that we can adjust our financial proposal accordingly?
**Beneficiary survey: maximum 100 households for each of the baseline and end line
non-beneficiary survey (control group): maximum 100 households for each of the baseline and end line
focus group discussions: a total of 8 FGDs
in-depth interviews: a total of 10 interviews
key informant interviews: a total of 10 interviews
observation checklist: a total of 4
Safety audit: a total of 4**

6. Could you kindly confirm the tentative dates on which the consultancy firm can expect to receive the raw dataset from GOAL?

30 March 2025

7. GOAL mentions that the SANAD programme will provide access to basic needs, safe and dignified shelter solutions to the target populations on public land in the Kelly community in Maaret Tamasrin sub-district.
 - a. Can you please confirm if this will be the only project location? **The project activities (the dignified shelter) will be conducted in only one location (please note the GOAL will be conducting the data collection)**
 - b. Can you please provide all project locations, including sub-districts and camps? **Only one camp location, in Kelly, Maart Tamsrin sub-district (please note the GOAL will be conducting the data collection)**
8. Could you please provide information on the estimated maximum budget allocated for the assignment?
GOAL cannot provide the allocated budget during the proposal submission period
9. Can GOAL confirm, given the recent developments in Syria, that this assignment is still required with the same technical parameters and timeline? **For now this assignment is still required, should any changes occur you will be notified.**
10. Does GOAL have a specific preference of the data analysis software to be used? Similarly, does GOAL require an interactive or a static product? **No preference on data analysis software. GOAL required a word document report, any additional products are welcomed but not mandatory as long as GOAL have ownership to those products after the assignment.**
